SOFT SKILLS

- Teamwork and collaboration Friendly.
- positive attitude.
- Adaptable.
- Active listening.

TECHNICAL SKILLS

- Java
- C (Basics)
- Python (Basics)
- AWS Cloud
- Frontend development
- Docker

LANGUAGES

- Tamil
- English

DHARANI S

Frontend Developer

EDUCATION

2022-2026

KARPAGAM INSTITUTE OF TECHNOLOGY

Bachelor of technology in the specialization of Information Technology

CGPA:7.99

PROJECT:

❖ AWS-Based File Management System

Technologies Used: AWS S3 | DynamoDB | Lambda | API Gateway | IAM.

Developed a serverless file management system using AWS S3, DynamoDB, and Lambda. Implemented APIs to upload, retrieve, and delete files, ensuring efficient storage and metadata management. Integrated API Gateway for secure access.

PAPER PRESENTATIONS

- I have presented a paper on Self Identifying Mental Health Status Get Guidance For Support.
- Smart Irrigation System.

CERTIFICATES

- Data Structure and Algorithm Using Java | NPTEL Online Certification.
- Linked List | Codechef.
- Java | Spoken Tutorial Project IIT Bombay, Hackerrank.
- Python | Hackerrank.
- AWS Cloud Practitioner Essentials
